### 125<sup>th</sup> Glenbervie School Celebration

On 20<sup>th</sup> March 2018, Glenbervie School would have been in operation for 125 years. The milestone of 125 years is called a Quasiquicentennial and is an important celebration to commemorate the role Glenbervie School (and schools existing prior to the amalgamation of schools in the area) has had in the district. We are asking for people that are interested in forming a Quasiquicentennial committee to please contact the School office on 437 5812.

**Guitar Lessons:** David Meredith has been teaching guitar for several years at Glenbervie School and we are pleased to be able to offer this service again. If your child would like to have lessons please contact David directly on 4343459 or 027 3832633.

**Boots Required:** Room 9 would like any old boots please! Either used or not. Gumboots, work boots or any boots. Drop off at Room 9 please.

### Glenbervie School PTA

We would like to take this opportunity to acknowledge our appreciation for our Parent Teacher Association. PTA funded events have included: visiting performers; library books; class trips and activities; sunscreen and hand sanitizer in each class; class funded resources and a substantial contribution to our Active Play Space.

A HUGE 'Thank You' to the dedicated parents involved in the PTA for their effort and hard work. Without this fundraising, Glenbervie School would not be able to purchase the additional resources and extras that this money provides.

We encourage you all to become involved in the PTA for the socialization, fun and bonding it produces amongst parents and the relationship with the school.

For information about becoming involved with the PTA please contact the school office.

**Give-a-little:** Thank you to the families and businesses that are contributing to the Give-a-Little page. These generous donations are supporting our Active Play Ground projects. Cheers!
