Pathways to Excellence

Newsletter 10/2018

14 June 2018

Nga Mihi nui ki a koutou/Greetings to you all.

Week 7 is already here and the 'changing of the guard' has occurred. A big thank-you to Lisa Ferris who stepped into the Acting Principal roll making sure our wonderful school continues to operate smoothly whilst Braden is on sabbatical. Also thanks to Mrs Kath Edwards and Mrs Tara Hilton-Jones who covered during this time.

On Thursday, 21st June at 12pm teachers from Whangarei will be attending a NZEI Te Riu Ra paid union meeting to discuss additional staff that schools need. We strongly encourage parents to pick up their child/ren at this time. Thank you for supporting your teachers as they strive to achieve changes which will safeguard quality education for all children.

Last week saw a group of Year 5/6 children attend the Whangarei Primary Schools Winter Sports event held at Kensington Park. They participated in a range of codes including basketball, hockey netball and soccer. Congratulations to all those children who participated and demonstrated the Glenbervie Values. Thank you to Mrs Erwin for organising this event and to all our parents and grandparents who helped out during the day.

At Glenbervie School we are fortunate to have a PTA who tirelessly look for fundraising opportunities that benefit the school. They welcome new members and will be meeting on Monday, 18th June at 7:00pm in the staffroom.

This week has seen classes celebrating Matariki. Children have been bringing in a vegetable to create delicious soups with their class. It has been great to see them enjoying and sharing this with their classmates. The aromas wafting into the office have been divine! *Matariki* is the Māori name for the cluster of stars also known as the Pleiades. It rises in mid-winter and for many, it heralds the start of a new year. It's a time to come together with

your friends, whanau, and communities. It's about eating, reflecting, having fun, and looking forward to the year ahead.

Lianne Shirley
Acting Principal
